Cleaners**

PRODUCT	RECIPE
Abrasive Cleaner Mix	Mix water and baking soda to make a scrub for sinks, toilets, ovens, and pots.
Glass Cleaner	Combine 2 Tbsp. white vinegar with 1 quart water in a spray bottle. Spray on and wipe off with newspaper or a cloth rag.
Stain Remover	Scrub stain with a wet paste of water and baking soda or cornstarch.
Drain Cleaner	Prevent drain from clogging by using baking soda and vinegar. If it should clog then use a plunger, flush with boiling water, and add 1/4 cup of baking soda and 2 oz of vinegar.
Spray Starch	Combine and mix thoroughly 1 Tbsp. of cornstarch with 2 cups of water. Spray on and iron.
